

BirdBoard.com Supports
Coins For Cause
Help stamp out PDD!
www.StopPDD.org

No donation is too small for the StopPDD Challenge!
Just think, if every bird owner were to send a
\$5 check every month

The concept is simple and fun

Download a label from www.StopPDD.org today! Just print it, and apply it to a jar. The jar can be any size that works for you. Some members are using left over prescription bottles, while others are using jars that they were going to recycle. Soak off the label and apply the "Coins for the Cause" label. Now place the jars on your desk or counter at home, office, or shop... Ask your veterinary office if they will allow a jar on the front desk. Ask your bird or pet supply store to place a jar by the check out counter. Pass your jar around at club meetings.

Once a month, take the change from your jars and deposit it into your checking account. Then send a check to Avian Health Network, Inc., for StopPDD at 3300 Prosperity Avenue, Fairfax Virginia 22031.

Proceeds generated by the StopPDD challenge will go to help subsidize the research of the Emerging Diseases Research Group (EDRG), at the University of Georgia's College of Veterinary Medicine.

Avian Health Network, Inc. is a 501(C) (3) Tax Exempt Non-Profit, headquartered and incorporated in the state of Virginia. We are an organization of volunteers with no paid personnel. Visit www.StopPDD.org today to learn more about this deadly disease and what you can do to help.
